

Brief 2016 Minister of Finance, Pre-Budget Brief to the Government of Canada, January 2016

The Pre-budget Brief has been sent to the Minister of Finance, as per their instructions. Usually, this would be requested, and received, by the bipartisan House of Commons Standing Committee on Finance. However, since the new 42nd Parliament has not yet struck a new Committee, the Minister of Finance asked organizations like ours to submit their briefs by email to his department.
