Registration-CSW64/Beijing+25(2020)

Dear Members

We would like to take the opportunity to inform that the sixty-third session of the Commission on the Status of Women will take place at the United Nations Headquarters in New York from 9 to 20 March 2020. The registration for the CSW 63 will be open online via the United Nations Indico registration system from 9 October 2019 to 27 January 2019.

In 2020, the global community will mark the twenty-fifth anniversary of the Fourth World Conference on Women and adoption of the Beijing Declaration and Platform for Action (1995). A five-year milestone will be reached towards achieving the Sustainable Development Goals of the 2030 Agenda for Sustainable Development. 2020 is therefore a pivotal year for the accelerated realization of gender equality and the empowerment of all women and girls, everywhere.

A link to the Indico registration page for CSW64 will be provided prior to start of registration. Online registration is mandatory for all participants.

Theme:

The main focus of the session will be on the review and appraisal of the implementation of the Beijing Declaration and Platform for Action and the outcomes of the 23rd special session of the General Assembly. The review will include an assessment of current challenges that affect the implementation of the Platform for Action and the achievement of gender equality and the empowerment of women and its contribution towards the full realization of the 2030 Agenda for Sustainable Development.

Kindly note, that due to the increasing demands and limited space, the numbers of attendees to CSW sessions is as usual being kept to a minimum and will not exceed 20 representatives per organization. Therefore, priority will be given to NCWC members.

For members who did not attend CSW 62 and 63 or are attending for the first time, please note that in 2017 a new platform has been introduced and used
for NGOs registrations, registrations to meetings and events at the UN headquarters, -“Indico.” This replaced the registration functionality of the previous system, CSO-Net.

Those, who have attended CSW62 and 63 can use the accounts created in Indico, unless they have renewed their passports. The only details to be updated are the numbers of days you will be attending the CSW64 and the address of your hotel you will be staying at.

In addition, note that costs, regarding the CSW64 attendance will be on your own account. For ease of reference, kindly see below and follow registration procedures.

Registration Procedures:

Please be advised that all attendees will have to register themselves directly in the CSW website: http://www.unwomen.org/en/csw/ngo-participation/registration follow the instruction which will lead to the following link:https://reg.unog.ch/user/register.
