Ms. Sandra Cohen-Rose  
President  
National Council of Women of Canada

Dear Ms. Cohen-Rose,

You have my heartfelt thanks for your message of congratulations underlining my election as Mayor of Montréal. It is with great humility and a deep sense of pride that I have accepted the mandate Montrealers gave me last November 5<sup>th</sup>.

My team and I have vast ambitions for our city and above all, a certainty that we must act in concert to achieve them. It is through a collaborative approach and the contributions of organizations, businesses and civil society in general that we will succeed in creating a prosperous living environment that is conducive to the well-being of the entire Montréal community.

Convinced, Ms. Cohen-Rose, that together we will achieve great things for Montréal, please accept my sincere best regards.
